Collected from Spiegl the price is £7.50. This is the cost of printing.

The UK price by post from Spiegl is £11. This is the cost of printing, the standard parcel rate for a kilo (£3.15) and £1.35 for the bag and handling.

The retail price in the UK bookshops is £17. This allows for 30 % (£5.66) discount to the bookseller, standard parcel rate for a kilo (£3.15) and 69 p for the bag.

The price for all destinations overseas surface mail is £12. This is £4.20 for surface mail and £1.30 for the bag and handling.

For parcels of 10 copies to all destinations overseas, the price is £95. This is 10 copies at £7.50, postage by m-bag at £1.60 a kilo and £3.80 for package and handling.

How to pay

(a) Send a fax to the Spiegl Press. From overseas this is 0044 1780 762040. From the UK it is 01780 762040. Give your credit card details.

(a) Ring up 'Maureen' at Spiegl, and ask her to type in your credit card details.

(b) Send a cheque payable to the Spiegl Press to the address above.

(c) Open an account with *PayPal* and send the amount to the Spiegl website above. This is very easily done, and is a useful and secure way to send money to any email address, whether or not they have an account with *Paypal*. However, to send money, you will first have to open an account with PayPal. Ask any search engine, such as Google, to look for PayPal.

(d) Call at the Spiegl Press and collect all the copies you want!

It is a most attractive book - although I say so myself! So it should be after 20 years work! With very best wishes and hoping you enjoy it - and even more that you make good use of it.

Maurice King, **Knowledge Engineer**
