*October 2016 – Easter 2017*

## EVENTS ON CAMPUS

### Performance Project – The Waiting Room

**Suitable for:** Key Stage 5  
**Venue:** University of Leeds, [stage@leeds](mailto:stage@leeds)  
**Date:** Friday 17<sup>th</sup> March

Are your students interested in studying Theatre & Performance at university? This event is designed to give Key Stage 5 students a taste of studying Theatre in higher education and will assist with units concerned with presenting and devising drama and collaborative devising. Drawing on environmental theatre and relational performance practices to reflect the kind of audience experiences created in contemporary 'immersive' performances, our Theatre & Performance students will work with your students to develop their interest in drama as both a practitioner and an audience member and contribute to the development of their creativity and analytical skills in devising performance.

### Drama & Theatre Teachers' Conference

**Venue:** University of Leeds, [stage@leeds](mailto:stage@leeds)  
**Date:** Monday 12<sup>th</sup> June 2017

Following the success of our first teachers' conference for Drama Teachers we invite you to join us for our second conference in June 2017 (date tbc). Using feedback from last year's event this year's conference will offer a range of contemporary sessions that can be adapted and expanded to work in the classroom and that are designed to engage with secondary educators. We are also keen to work with teachers and find out more about what you would like us to offer for your students and for your own professional development. Information will be sent out after the Christmas break but please contact us if you would like to make a provisional booking for this.
