

Public transport to the University of Leeds

UNIVERSITY OF LEEDS

BY TRAIN:

Leeds Train Station links regularly to all major UK cities. You can get from the station to the campus on foot, by taxi or by bus. A taxi ride will take about 10 minutes and it will cost approximately £5.

FROM TRAIN STATION BY BUS:

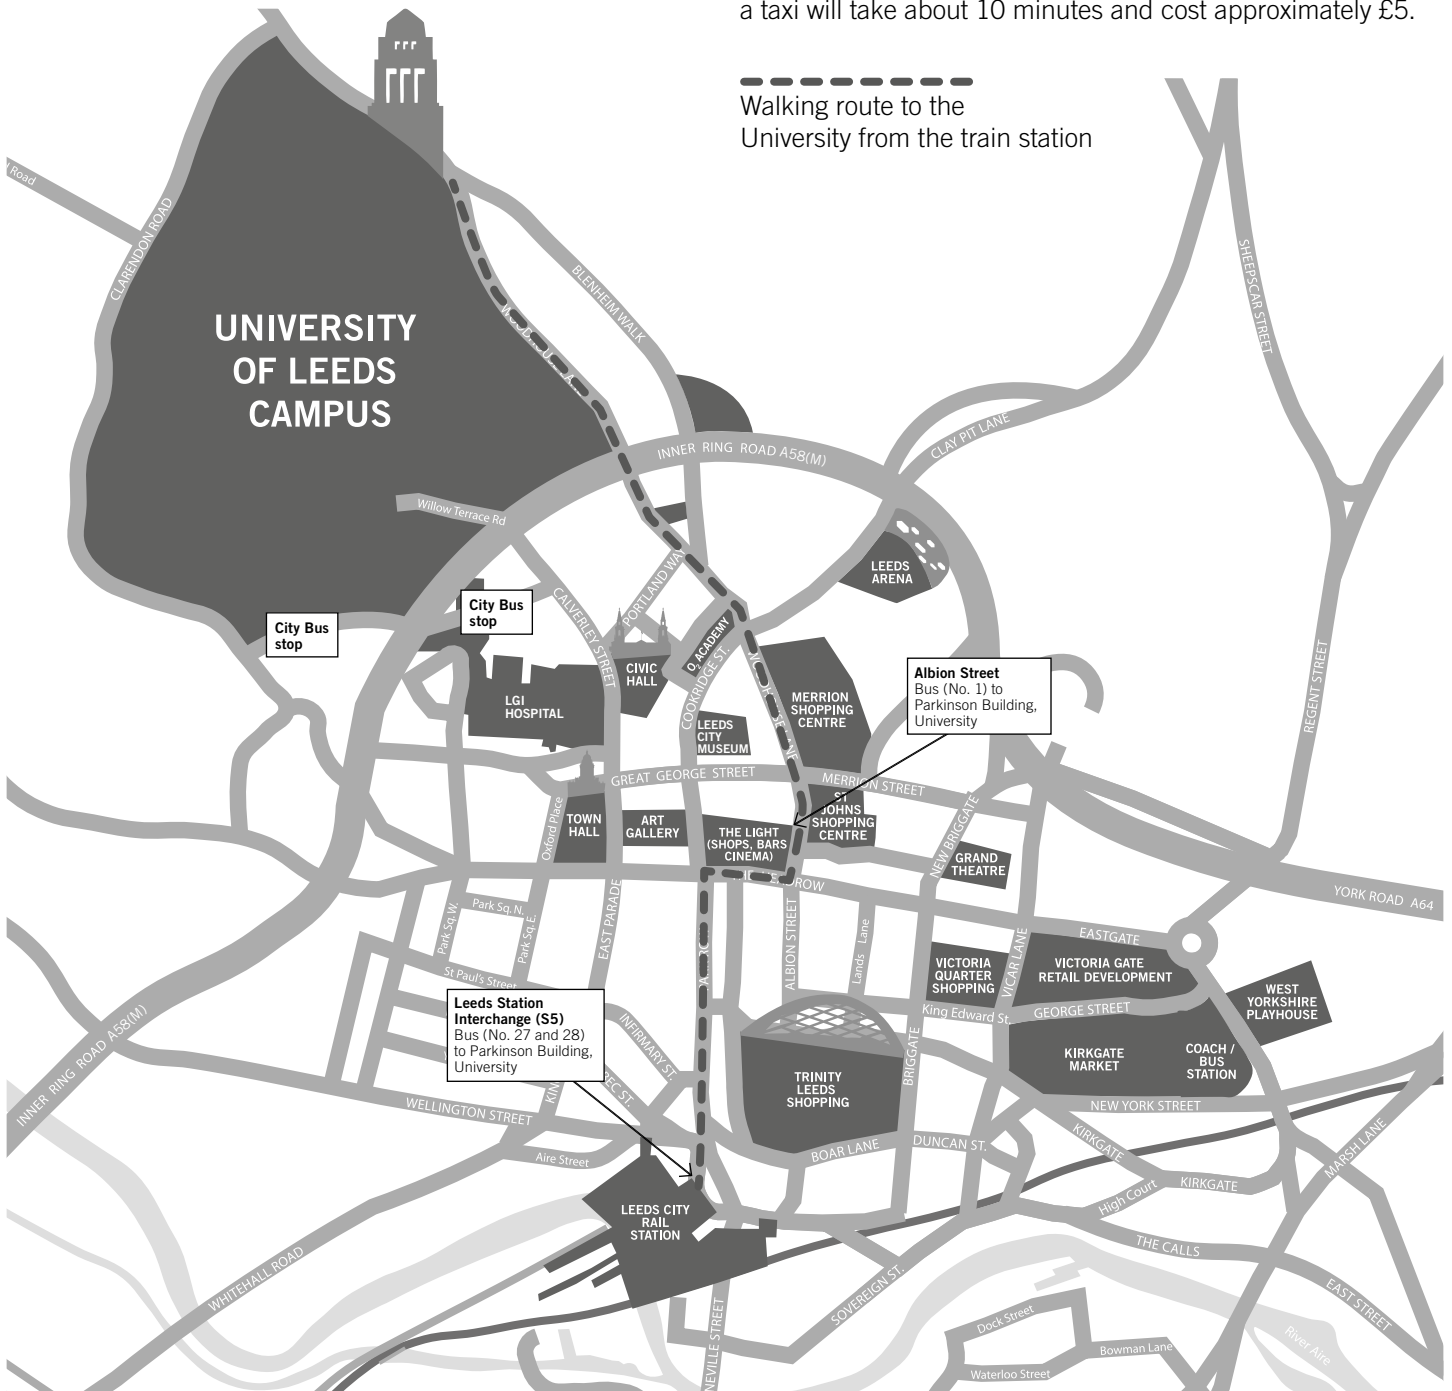

We advise you to take bus numbers 27 or 28 which depart from Leeds Station Interchange (S5). The bus runs approximately every 10 minutes and the journey takes 10 minutes. You should get off the bus just outside the Parkinson Building. (There is also the £1 Leeds City Bus which takes you from the train station to the lower end of campus but the journey time is much longer.)

FROM TRAIN STATION ON FOOT:

The University campus is a 20 minute walk from the train station. The map below will help you find your way. Leave the station through the exit facing the main concourse. Turn left past the bus stops and walk down towards City Square. Keeping City Square on your left, walk straight up Park Row. At the top of the road turn right onto The Headrow, passing The Light shopping centre on your left. After The Light turn left onto Woodhouse Lane to continue uphill. Keep going, passing Morrisons, Leeds Beckett and the Dry Dock boat pub heading for the large white clock tower. This is the Parkinson building.

BY COACH:

If you arrive by coach you can catch bus number 1 from Albion Street, which is a short walk from the coach station, to the University (Parkinson Building). There is also a taxi rank; a taxi will take about 10 minutes and cost approximately £5.
