Dear

Freedom of Information Response (Our Ref: K/20/361)

Thank you for your Freedom of Information (FOI) request dated 16 September 2020 reference K/20/361.

You originally wrote to us on 29 August 2020 (reference K/20/331), and asked:

“Please let me know for the University of Leeds in total and for the School of Business specifically how many students have been offered a confirmed undergraduate place for the September 2020 intake and a deferred place for the September 2021 intake on the basis of achieving an A*, B, B against a provisional offer of A, A, B.

I would be grateful for this information as quickly as is possible and to make the request as simple as possible to confirm I only need the data at the overall level for the University and for the Business School for September 2020 and 2021.”

We responded on 16 September 2020, advising that some information was held, but that a response would exceed the 18-hour appropriate limit set out at section 12(1). As such, you submitted a revised request as follows:

“I can confirm that I would be content to receive the information for just the Business School and I understand that it is possible for you to provide this information within the cost limit.”

The University of Leeds holds this information.

The Business School has confirmed nine applicants with achieved grades A*BB against an AAB offer for 2020 and 2021 entry combined.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:

Requests for Internal Review should be submitted within 40 working days of receiving the University's response to your request.
