Dear Applicant,

**Freedom of Information request reference K/20/072**

Thank you for your Freedom of Information (FOI) request dated 10 February 2020, reference K/20/072.

Your request read:

“The number of non-disclosure agreements (NDAs) signed by the university's HR department over sexual harassment, sexual assault and sexual misconduct.

For the following academic years:

- 2015-16
- 2016-17
- 2017-18
- 2018-19
- 2019 – current”

The HR department at the University of Leeds do not sign non-disclosure agreements. The HR department do, however, sign settlement agreements in a variety of cases, such as in voluntary severance. Some of these will contain confidentiality clauses which aim to protect legitimate business interests, e.g. protecting intellectual property, but they are not used to prevent individuals raising concerns and/or pursuing proceedings in relation to sexual harassment, sexual assault or sexual misconduct.

The settlement agreements used by the University of Leeds do not include information relating to the reasons for settlement and it is therefore not possible for us to categorically determine whether any agreements signed in the timeframe of your request were signed “over” (which we interpret to mean ‘as a result of’ or ‘following’) allegations of sexual harassment, sexual assault or sexual misconduct. Therefore, under FOI we must conclude that no relevant recorded information is held by the University. However, as the University does not currently, nor has it previously, used confidentiality clauses within settlement agreements as ‘gagging clauses’ to prevent public interest disclosure as defined by law, we consider it extremely unlikely that there have been any cases which fall within the scope of your request.

We can also advise that as part of the settlement process, individuals are required to obtain independent legal advice. As such, if an individual had concerns regarding sexual harassment, sexual assault or sexual misconduct (or indeed any other issue) which they had not raised previously with the University, we would expect their legal advisor(s) to provide them with appropriate advice and guidance on how the settlement agreement may impact on any intention to pursue any other avenues (such as criminal proceedings).
We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk
