Dear

Freedom of Information Response (Our Ref: K/20/249)

Thank you for your Freedom of Information (FOI) request dated 3 July 2020, reference K/20/249.

Your request read:

“Any documents relating to the planning of clinical placements for students who may be vulnerable (pre-existing conditions or BAME) to Covid-19 who were expected to be on placement in the year 2020-2021.

I am most interested in undergraduate courses such as nursing, dentistry and medicine.”

The University of Leeds does not yet hold this information.

We are currently in the process of developing appropriate processes to support students on clinical placements in 2020/21. This will be based on the approach taken over the summer for our recovery clinical placements.

As such, should you wish to resubmit your request after the start of the Autumn term (e.g. in October) this work may be completed, and we will be in a position to reconsider your request.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:
