Dear

Freedom of Information Response (Our Ref: K/20/510)

Thank you for your Freedom of Information (FOI) request dated 7 December 2020, reference K/20/510.

Your request read:

“The number of undergraduate students who have dropped out of your university due to mental health issues over the past 2 years, ideally 5 years but no worries if this is too much work, sorted by degree name and including gender, ethnic group and what year they were in (1,2,3,4 etc).”

The University of Leeds does not hold this information.

We hold information in relation to the number of students who withdraw from their studies citing health reasons, but hold no further information on the nature of those health reasons. As such, we do not hold information showing the number of students who have withdrawn due to mental health reasons.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:
