Dear

Freedom of Information Response (Our Ref: K/20/525)

Thank you for your Freedom of Information (FOI) request dated 9 December 2020, reference K/20/525.

Your request read:

“I wonder if you can help me I am preparing a research grant proposal to Yorkshire Cancer Research and I want to develop a cancer awareness intervention for the first year cohort of all students attending the University of Leeds. Could you let me know the numbers of admissions you had last year so I can calculate a sample size to base my research on?”

The University of Leeds holds this information.

There were a total of 17,495 First Year Admissions for the 2019/20 cycle, of which 8,559 were Undergraduates at the Leeds campus. This figure is based on total headcount based on the 1st December registration population for admissions in the 2019/20 cycle. First Year includes new entrants into both Foundation Year and Year 1.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk.
