Dear

Freedom of Information Response (Our Ref: K/21/053)

Thank you for your Freedom of Information (FOI) request dated 25 January 2021, reference K/21/053.

Your request read:

“Please provide me with details of your institute’s Doctorate in Clinical Psychology 2020 entry analysed by ethnicity and gender for the following:

1. Number of applicants
2. Number of interviewees
3. Number of offer holders
4. Number of accepted places

Please include all categories for ethnicity and gender – including ‘did not say’ option so that total figures are provided. In addition to this, please provide details of both the ethnicity and gender of members of the interview panels for 2020 intake.”

The University of Leeds does not hold this information.

Applications to the Doctorate in Clinical Psychology are handled by Clearing House. Information regarding the ethnicity and gender of applicants, offer holders and those who accepted places is therefore held by Clearing House, rather than the University of Leeds. Clearing House is a charity, independent to the University of Leeds, and are not subject to the Freedom of Information Act.

This information is typically provided to the University of Leeds in Spring of each year, and as such if you were to resubmit your request in approximately April, we may be able to provide some information. However, please be advised that due to the very small number of places available on the course, it is likely that some information would need to be withheld in order to protect trainees from identification.

We do not record ethnicity or gender information in relation to panel members.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:
Requests for Internal Review should be submitted within 40 working days of receiving the University’s response to your request. Further information about how the University manages Freedom of Information requests and about our complaints procedure is also available on our website (www.leeds.ac.uk).

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review/complaints procedure provided by the University. The Information Commissioner can be contacted at: Information Commissioner’s Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely
