Dear

Freedom of Information Response (Our Ref: K/21/256)

Thank you for your Freedom of Information (FOI) request dated 31 May 2021, reference K/21/256. Please accept our sincere apologies for the delay in providing a response to your request.

Your request read:

“I would like to make an FOI into the following:

1. .How many students have been served with Notice to Quits (NTQs) for university-owned or university-managed accommodation before the end of tenancy in the 2020/2021 academic year to date? Can I please get as much detail as possible on these NTQs, including the outcome (eg whether students vacated the property within the expiry date), the reason for the NTQs and date of issue.
2. .How many students who were served with NTQs were subsequently evicted from university-owned or university-managed accommodation before the end of tenancy in the 2020/2021 academic year to date? Can I please get as much detail as possible on those evictions, including the means by which the evictions were physically effected, the reasons for the evictions, when the tenants were required to leave, whether the recipients made applications for relief to the Court, and if so, how many such applications were made and what were the outcomes.”

The University of Leeds holds some of this information.

No students have been served with Notice to Quits (NTQs) in the 2020/21 academic year (as of June 2021). As such, we do not hold any information in relation to your second and third questions.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk
