Dear Freedom of Information Response (Our Ref: K/21/342)

Thank you for your Freedom of Information (FOI) request dated 8 July 2021, reference K/21/342.

Your request read:

“I’d like to make a request under the Freedom of Information Act. Please supply information on all students who began courses in the academic years we have asked for, regardless of which month your university’s academic year begins. If a student has stepped off from their studies, or otherwise taken a break, in the academic year we have asked for completion rates for, please count this as a non-completion. PLEASE NOTE THE REQUEST FOR ALL FIELDS OF NURSING TO BE INCLUDED, AS DETAILED AT QUESTION 3.

1. How many undergraduate students began three-year pre-registration nursing degree courses [in any field of nursing] at your university in the academic year starting 2017/18 (this includes any cohorts that started in September 2017 or January 2018)? [If your institution only has four-year pre-registration nursing degree courses, please give us the figures for those with the same start point]

2. How many undergraduate students completed this three-year pre-registration nursing degree course [of any field of nursing] at your university in the academic year 2019-20? [Please don't include figures for nursing students who had previously stepped off programmes that started prior to 2017-18, if at all possible, but state if you have had to include these].

3. As well as providing an overall total of nursing students who began and completed these courses, please also supply the same information on starters and completers but broken down into nursing field of study, eg; ‘Mental Health Nursing’ students; ‘Adult Nursing’ students; ‘Learning Disability Nursing’ students; ‘Children’s Nursing’ students.”
