Dear

Freedom of Information Response (Our Ref: K/21/387)

Thank you for your Freedom of Information (FOI) request dated 10 August 2021, reference K/21/387.

Your request read:

“How many parking spaces do you have available to students on campus?

What are the distances (in miles) from the halls of residence to the main university campus? Please list names and distances between campuses if there are more than one. Please also list the distance between your nearest halls of residence to each campus.

If there is parking available on all university campuses, are there any parking charges? If so, what are these? Please list all campus parking charges if there are differences in pricing.

Are the parking spaces at the university campus secured at night and at weekends? If so, how?

If there is parking available at the student halls of residence, what are the parking charges? Please list all residences parking charges if there are differences in pricing.

Are the parking spaces at the halls of residence secured at night and at weekends? If so, how?

If students require parking permits to park at their halls of residence or on campus, how much do these cost?

If you do have permits or parking charges both at campus and halls of residence, how many parking fines have been issued to students over the past 5 years?”

The University of Leeds holds this information. For your convenience we have responded to each of your questions in turn below.

How many parking spaces do you have available to students on campus?
We do not offer any exclusive student parking. There is no student parking on campus during core hours (7am to 5pm Monday to Friday). For those students that hold a blue disability badge, parking during core hours is available with a Blue Badge permit. Outside of core hours, students are permitted to park on campus free of charge in the Orange Zone, but must register their vehicle’s registration number with
our Estates department to avoid being issued with a charge. There are approximately 1000 spaces in the Orange Zone.

**What are the distances (in miles) from the halls of residence to the main university campus?**
You can find a list of all university residences on our [Accommodation website](#). Each residence page includes a location map which can be used to calculate the distance in miles from the University campus.

**If there is parking available on all university campuses, are there any parking charges? If so, what are these? Please list all campus parking charges if there are differences in pricing.**
Details regarding student parking are given in our response to your first question. Information regarding parking charges for staff and members of the public are set out on our [Estates website](#).

**Are the parking spaces at the university campus secured at night and at weekends? If so, how?**
No. The Orange Zone operates without barriers. Automated Number Plate Recognition (ANPR) cameras will record entry and exit from this zone. Other zones have parking barriers, which require access cards to open. However, these areas are still accessible by pedestrians.

**If there is parking available at the student halls of residence, what are the parking charges? Please list all residences parking charges if there are differences in pricing.**

**If students require parking permits to park at their halls of residence or on campus, how much do these cost?**
We address these questions together.

The following residences offer limited student parking:
- Clarence Dock Village
- Devonshire Hall
- James Baillie Park
- Leodis Residences
- Lupton Residences
- Montague Burton Residences
- Oxley Residences
- Sentinel Towers.

The cost of a car parking permit varies depending on the vehicle’s road tax band and whether the site has designated parking bays:

<table>
<thead>
<tr>
<th>Residence Name</th>
<th>Tax Band A-F</th>
<th>Tax Bands G+</th>
</tr>
</thead>
<tbody>
<tr>
<td>Oxley Residences, Devonshire Hall</td>
<td>£130</td>
<td>£155</td>
</tr>
</tbody>
</table>
At James Baillie Park a parking permit costs £275 and at Royal Park Flats a parking permit costs £120. Motorbike/scooter permits cost £30.

**Are the parking spaces at the halls of residence secured at night and at weekends? If so, how?**

No.

**If you do have permits or parking charges both at campus and halls of residence, how many parking fines have been issued to students over the past 5 years?**

Parking charges are levied when a car whose registration number is not listed as an authorised vehicle (i.e. does not hold a permit) parks in a designated zone. We do not record (nor would we be able to establish) whether the owner of the vehicle which has been issued with a charge is a current University of Leeds student.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:

**Post:**
Mr D Wardle  
Deputy Secretary  
The University of Leeds  
Leeds  
LS2 9JT

**Email:** foi@leeds.ac.uk

Requests for Internal Review should be submitted within 40 working days of receiving the University’s response to your request. Further information about how the University manages Freedom of Information requests and about our complaints procedure is also available on our website (www.leeds.ac.uk).

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the review/complaints procedure provided by the University. The Information Commissioner can be contacted at: Information Commissioner’s Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

**Chloe Wilkins**  
Freedom of Information Officer
