Dear

Freedom of Information Response (Our Ref: K/21/421)

Thank you for your Freedom of Information (FOI) request dated 30 August 2021, reference K/21/421.

The subject line of your email read:

“Freedom of Information request - Dental Surgery MChD/BChD”

Your request read:

“I am writing to request some data regarding the 2021 entry cycle. (UK students)

How many offers did you give out for 2021 entry?
How many of these offers turned to unconditional on results day meaning the offer holder achieved the required grades?
How many places for UK students did you initially have?
How many additional places were funded by the UK government for UK students this year due to the grade inflation that took place?”

The University of Leeds holds this information. Please note the we have interpreted “UK students” as students who have been fee assessed as eligible for home fees, rather than being based on the location of their permanent address (which we could not isolate).

How many offers did you give out for 2021 entry?
116

How many of these offers turned to unconditional on results day meaning the offer holder achieved the required grades?
87 (including any who had applied for deferred entry)

How many places for UK students did you initially have?
72

How many additional places were funded by the UK government for UK students this year due to the grade inflation that took place?
In March 2021, the Office for Students (OfS) allocated an additional eight places to the University of Leeds for Dental Surgery MChD/BChD students. No additional places have been allocated to the University of Leeds since then (including after results day).
We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk
