Please note that, where the total number of people in a group is less than or equal to five, we are withholding the exact figure under section 40(2) of the FOI Act.
Section 40(2) sets out that information is exempt from disclosure if it is the personal data of someone other than the person making the request, and disclosure would; contravene the data protection principles; contravene an objection to processing; or if the data is exempt from the right of subject access. To release information which either directly or indirectly allows students to be identified would, by extension, reveal personal information (i.e. in relation to their chosen course, their year of entry and by extension the year they are expended to graduate). This would be unfair, contravene their expectations and would therefore breach the data protection rights of the individuals.

We hope this information is helpful. If you have any questions about this email, however, please do not hesitate to contact us on foi@leeds.ac.uk

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you can request an Internal Review. Requests for Internal Review should be made in writing using the following contact information:
