If you are studying for more than 6 months you will be issued a vignette (visa) in your passport which is valid for 30 days. You must then travel within the time limit of that visa and collect your [BRP](#) from the University of Leeds.

On the '**Biometric Residence Permit (BRP) Collection**' page of the visa application you must insert the University's Alternative Collection Location Code, which is **2HE422**. This will make sure that your BRP is sent to the University of Leeds.

If you are studying for less than 6 months your visa will be issued as a vignette (visa) inside your passport for the whole duration of your stay in the UK and you will not need to collect a BRP.
